KIDS SUPERGYM - MISSISSAUGA is fitness with a smile. Our facility was constructed for the purpose of challenging children in a creative, fun and safe environment. We believe kids need to be active and interactive with their peers. We intend to do this through our specially designed gymnastics programs. All of our programs will consist of the use of our equipment such as the trampoline, parallel bars, balance beam, rings and sprung floor.

ACRO TUMBLING PROGRAM (1 OR 1.5 HOURS FOR 9 YRS AND UP) APPOINTMENT FOR ASSESSMENT REQUIRED

The Acro tumbling program is geared towards the gymnast, dancer, cheerleader or athlete wanting to further develop their level of aerial skills using the floor, trampoline and circuit training. Back handsprings, aerials and saltos are the primary focus of this program; however we do offer a beginner level program to lead up to these skills.
